MEMORANDUM FOR ALMAJCOM-FOA-DRU/CC

FROM: HQ USAF/CVA

SUBJECT: 2013 Air Force Community Assessment Survey

The 2013 Air Force Community Assessment Survey will launch in March 2013. It is the eleventh in the survey's 20-year history. This survey is a critical tool for senior leaders in determining the strengths and needs of Air Force communities and informing community action planning at the installation, MAJCOM, and Air Force levels. The survey provides the Integrated Delivery Systems and Community Action Information Boards with a means to ensure that community interventions are timely, focused, and data driven. The attached bullet background paper provides additional survey details.

As our Airmen and their families continue to rise to a multitude of global challenges, we must persevere in our efforts to promote resilience in our Airmen and the Joint Team. The importance of robust participation in this survey has never been greater. I expect all Air Force leaders to fully support and encourage participation in this critical survey effort.

My POC for this survey is Lt Col Wendy Travis, Chief, Mental Health Division Policy and Program Evaluation, (210) 395-9106 or DSN 969-9106 or [wendy.travis@us.af.mil](mailto:wendy.travis@us.af.mil).

A handwritten signature in black ink, reading "Frank Gorenc", is positioned above the printed name.

FRANK GORENC  
Lieutenant General, USAF  
Assistant Vice Chief of Staff
